Author Name: April AdamsTitle of Book: Tumbling DreamsGenre: Juvenile Fiction/Performing Arts/GymnasticsReview by Barbara Bamberger ScottTumbling Dreams is Part Two of "The Gymnastics Series" by April Adams, following the progress, the ups and downs, hopes and discouragements of a girls' gymnastic team, the Bellevue Kips. The author, Alice Adams, is a former gymnast turned author/reporter.This book finds the girls, five of them, practicing hard for their next

tournament. But each is privately going through a lot of stress. Sara is battling with OCD: "I feel crazy one minute and fine the next." She may have to take medication, and doesn't know what that might mean for her ambitions as a gymnast. Nadia, the acknowledged star of the group, is convinced that all she needs to get Gold is some new trick, flip, or twist, but it takes the team to show her that something else is missing. Bethany is getting tall all of a sudden, shooting up " almost overnight, and scared this will ruin her chances at fame: "Bethany felt like her own genes were a time bomb." Kelly is yo-yoing between her gymnastic skills and her love of dance, little knowing that her secret passion may be just what the team needs for a new kick-start. And Jamie, the team's friendship glue, is backing away because her beloved grandmother is sick. The team's coach, Judi, is "a pro at getting all their jittery energy out before a practice," but even she is struggling to keep the team spirit alive as the girls battle their own demons. Because of the author's personal understanding of the art of gymnastics and what it takes to be a competitor at a young age, she has made these characters come alive.
