# Beautiful Monster

## Synopsis

\*Updated & re-edited in January 2015\* A vampire romance novel from million-bestselling author Bella Forrest. Book One of a two-part series. As featured on USA Today's Happy Ever After blog. "Beautiful Monster was hauntingly beautiful, in its complex simplicity. The connection between Amy and Liam was stunning and powerful." - FPH Reviews "...â...â...â...â..." "Bella Forrest has done it yet again! I am a HUGE fan of her Shade of Vampire series, and now she's gotten me hooked on her latest tale with the mysterious and sexy Liam Swift!" - Autumn Reviews Liam Swift is a young man Amy has always admired from afar. She's seen his face a thousand times on the screen and in magazines. He seems unstoppable as his talent and beauty send him hurtling toward becoming a Hollywood legend... Until one day--in what appears to be a fit of madness--he stuns the world by throwing it all away. Not even the most persistent reporter can fathom the reason behind Liam's decision. Never in Amy's wildest dreams could she have imagined this 25-year-old god of acting would go on to accept employment at her local boarding school. Or that he'd personally start teaching drama lessons. It seems life can't get much better for Amy ... until the sound of tortured weeping starts echoing through the thin walls of her dorm room each night, leading her to stumble upon a horrifying secret Liam had hoped to keep hidden forever. ## Customer Reviews

Beautiful Monster is a inspiring story about a young woman who was born HIV positive. Amy has come to terms with her illness, but still she has dreams just like any young woman. Her dream is to an actress. Her father is a chief at one of the most prestigious acting schools. He wants more for Amy then to follow in his footsteps or to be an actress. He does his best to provide for her, but because of her illness he is very overprotective of her. Amy is not as fragile as her father thinks. As soon as her father leaves for work every morning, Amy sneaks on campus to sit in on classes and like a sponge, she soaks up all the knowledge she can. Her father gets really sick and Amy goes to work in his stead so they will not lose any money. This turns out to be the day her life truly begins. The school is have auditions to choose a new scholarship student. Amy takes the leap and tries out. When she gets the call that she has won the scholarship she is shocked and ecstatic. The Headmaster of the school is Liam Swift. Amy has always admired him and his talent for acting. He tore a path through Hollywood, but then he dropped off the radar until he took the post at the school. Liam is gorgeous and aloof. Amy feels a certain connection with him, and he seems to be a different person when he is around her. They develop a friendship and both try to deny the feelings they have for one another, but in the end they are too strong. They start a relationship in secret. Amy could not be happier. All her dreams were coming true. If only Liam did not act so strange. When the sun would set Liam would always hurry away, distracted and tortured. Amy was determined to find out what was going on. when she finds out she is not sure what to believe. Could Liam really be a vampire?

When Bella Forrest first approached me saying she had a new surprise I immediately though it would be the third book in the `Shade' series, but in fact she wow'ed me even more by sending me a copy of Beautiful Monster. Guys, this book is amazing. Beautiful Monster follows the story of 17-year-old Amy who wants nothing more than to be an actress, to live on stage and follow her dreams. But because of her illness, she doesn't think it will ever happen, until one day fate intervenes and she is given the chance she never thought she'd have. This story surprised me. When I first started reading it I didn't expect any supernatural elements so when that aspect popped

up I was pleasantly surprised and incredibly intrigued. Forrest did an amazing job of getting inside Amy and Liam's heads, showing us what it's like to be them from their perspectives. When Liam is first introduced he comes across as cold and distant, but as the story progresses we see sides of him we didn't know existed. I love learning about a character, their strengths, their weaknesses. It makes them real to me. Seeing them laugh and cry, suffer and prevail, makes them more than just some character in a book. Forrest has the ability to do that. She has the ability to create characters that you love and hate, characters you want to know more about, characters that you are so invested in that when you have no more pages left on the Kindle you get genuinely annoyed the story is over!! I've got to say that Beautiful Monster was different than anything I've ever read and Amy's character was so unique and strong. I don't know if I would be able to be as strong if I were her.

It's not often that I come across a vampire story that I can honestly say is something entirely unique and original, but Bella Forrest has done it yet again! I am a HUGE fan of her Shade of Vampire series, and now she's gotten me hooked on her latest tale with the mysterious and sexy Liam Swift!! With Beautiful Monster, we have a vampire love story that is entrenched in the unforgiving world of theater, with Hollywood heartthrob Liam right at the center. He may have left the fame behind to virtually hide away as headmaster of the prestigious theater school his family founded, but that doesn't mean he's been forgotten. Even Amy, the sweet and determined daughter of the school's chef, couldn't forget his presence, even though she was aware his personality wasn't much to rave about. Home schooled and HIV-positive due to her mother passing the disease during her pregnancy, Amy lived such a sheltered life. I loved her rebellion as she desperately tried to be a part of what she loved most, acting, by sneaking in to watch the classes taught at the school. Your heart goes out to her, because she clearly has a deep love for the art but never believed she could actually get the chance to be more than a spectator. When fate stepped in and Amy found herself getting the chance of a lifetime, everyone got to see just how much raw talent she had. And of course, she was lucky enough to catch the attention of sexpot Liam, and as he introduced her to the world of acting and theater firsthand, the romance between them just grew naturally from everything they shared together. Liam wasn't quite sharing everything, though, and when Amy discovered exactly what he is, it tore a rift right down the center of their relationship.
