Synopsis

A Scottish Medieval Romance Box Set Meet three generations of Highland Brides and the Warriors whose hearts they captured. To Bewitch a Highlander, Book 1 She will protect her identity with her very life if necessary. Who will protect her from herself? Shoney's lightning speed with a bow captures Ronan by surprise, and their chance meeting ends with him lying unconscious at the bottom of a ravine. When he awakens, he cannot rid his mind of her startling beauty, her valor, or the secret fear he glimpsed in her steel eyes. He vows to find her, but as the mysteries of her identity unfold, his courage and heart are tested as never before. Highland Thunder, Book 2 A STORM IS COMING... Although she faces tragic loss, Brenna will never succumb to grief or fear, nor will she surrender to the one man she despises--the very man who now has the power to control her destiny. Like the storms that rage unchecked over the moors, her fury is about to be unleashed. A HIDDEN LOVE... He does not look at her or speak to her, and most importantly, he does not touch her. These are the rules Duncan set for himself long ago to ensure his affection for his best friend's wife remained undetected. But under the weight of a land besieged by war, the walls he erected to shield his heart crumble. If he can earn her trust, the one woman he has always loved may at last be his. But first he must save what he cherishes most from a nightmare of dark secrets. To Love a Warrior, Book 3 Destinies unfold. Secrets are revealed. The Isle of Mull will be forever changed. Half Highlander, half Viking, Garik MacKinnon was not born on the Scottish Isle of Mull, but fostered there in his youth. Now, he leaves behind his home, once more bound for Mull, to join the MacKinnon warriors as they answer Robert the Bruce's call to arms. He is ready for battle, eager to fight for Scotland's freedom. What he is not prepared for is his encounter with Nellore, a shield maiden from Mull, whose allure defies all reason. Nellore has the strength and skill of a warrior but the heart of a woman. When the men are called away to war Nellore must aid those left behind to safeguard their village against attacks from the MacLeans—a feuding clan to the south. She understands her duty to her clan. She is ready to take up arms against the enemy if need be. What she is not ready for is the ache that fills her heart when war pulls Garik from her side. Desire ignites and battles are waged as both Nellore and Garik learn what it means to love a warrior. Join these strong Highland women. Experience their struggles and triumphs, and lose your hearts to their Highland heroes.

Book #1 Fantastic and captivating 6 stars!OMG, what a fantastic and captivating story! I finished reading To Bewitch a Highlander, written by a new-to-me author Lily Baldwin! It's has been a long time, since I have read an excellent Scottish romance like this one. I am totally surprise! I really loved it very much! I will mention that this book is mostly the love story of her two main characters! I fell in love with her heroine Shoney who was a healer and a Pict; you will have to read this story to understand who the Picts were. Ronan, a great warrior, was the heir to the leadership of the MacKinnon clan. Together, they will pull you slowly into their lives and discover that their story was closer to reality with some historical details to create an ambiance. Their loves scenes are passionate and very well written, always with a touch of tenderness. You have to love Shoney and Ronan, they are so beautiful together and the chemistry between these two is passionate and stormy! Ms. Baldwin added family and friends to create an atmosphere of togetherness, I liked Aidan, Ronan's oldest friend. Ms. Baldwin is a natural storyteller and an excellent writer. I love that she added a touch of witchcraft, I find this element fascinating. I will have to watch her next books; I am certain that she will surprise us with another great story. It was so captivating that I read it until 3am this morning. The sequel of To Bewitch a Highlander will be titled Highland Thunder. We will meet again Shoney and one of their daughters, Anna who has inherit her mother's gift. I'm so excited to discover who will be the heroine and hero in her next story.

Book #2 Breathtaking Scottish adventure as I love them!!! 6 starsLily Baldwin has done it again with her second book in the Isle of Mull series.
