# Hockey Strong: Stories Of Sacrifice From Inside The NHL

## Synopsis

For the casual enthusiast and hockey fanatic alike comes a collection of essays and photographs celebrating the grit and dedication of hockey players to withstand injury and hardship to play the sport they love. Based on the author's interviews with key figures and capturing the inside stories of superstars old and new, *Hockey Strong* is one of a kind: an exploration of the long, dangerous, and often arduous journey of an NHL player. Packed with intimate interviews, exclusive photographs, and iconic moments, it's a beautifully designed celebration of one of the toughest sports in the world, and the hearts of the athletes who play it. Featuring figures like Kris Draper, Shjon Podein, Craig Berube, Joey Kocur, Rick Tocchet, Chris Nilan, and even the trainer for the 1980 Winter Olympics USA team, Todd Smith provides unprecedented access to the stories behind famous hits, injuries, and fights, while also revealing the human drive and brotherhood that propels such players forward. With a particular focus on the Original Six franchises of the NHL, Smith interviews players young and old from across North America, and illustrates hockey's broad appeal to new and lifelong fans. Unique in its content and design, and appealing to all generations of fans, this is the perfect gift for both the passionate fanatic and the casual follower of hockey.
