Moonlight Kin 2: Aidan's Mate

Synopsis

(51,260 word mid-length novel with an additional 2450 word excerpt) The last man Jenna Dane trusted betrayed her and stole everything she owned. She's been trying to get her "life" back ever since. Her new job presents Jenna with the opportunity to recover what she's lost. All she has to do is betray Aidan Fortier and expose his secrets. Secrets that could get her killed. Aidan Fortier cannot allow a nosy human to snoop around his estate. He has a Werewolf pack to run, a full moon to contend with, and he must choose a mate. It would be a lot easier to do, if Jenna didn't smell so good. When trouble follows her to his doorstep, Aidan must decide whether to trust his Lycan instincts or throw Jenna to the wolves. Jordan Summers has twenty-nine published books to her credit and has sold over 120,000 ebooks. She is a member of the Horror Writer's Association, Science Fiction and Fantasy Writers of America, International Thriller Writers Inc., and Novelist Inc.

Aidan's Mate grabbed me and didn't let goAidan's Mate is book #2 of a new series Jordan Summers

is writing and let me tell you it's fab. Her first in the series is A Wolf's Tale about Damon and Madie his bondmate who's human and a hunter. No more said you need to read. Just wanted to set the stage for Aidan's Mate. Aidan's Mate opens with Aidan Fortier, Alpha and Elder (software developer multi-millionaire) in a field surrounded by his wolves. The Alpha had been challenged by one of his own Rene' Dubois for coming to his cousin's defense when he took a female human and hunter no less as his bondmate. Aidan suspected his PA was responsible for putting Rene up to the challenge. You see Robert LeBoup (I don't like him) detested anything human, their scent discussed him and he wanted them all dead. For this reason Aidan suspected Robert goaded Rene, he wasn't the sharpest tool in the shed but he was a hard worker. Without solid proof Aidan couldn't take his thoughts/feelings to the Elders. Aidan had no intentions of losing this challenge and he felt badly that he would have to kill Rene. Aidan as an Alpha and an Elder knew his pack needed a mated Alpha and was working to rectify the problem. He under no circumstances would ever take a human as his bondmate. So each night he had female Were lined up to take their shot at being Aidan's bondmate. The enters Jenna Dane, use to be owner of a garage, mechanic and feisty, fearless and homeless HUMAN female with a big problem. Her business was taken from her by her ex and he destroyed her reputation in the taking. For three months she was on the run to get away from him and his PI Carl.
