At age 91 I was looking for Bible verses to memorize in the event my eyesight should dim. While searching for other books "199 Promises of God" popped up and on sale for 99 cents. The title got my attention and the price cinched it. After reading it over several times I decided those were the verses I wanted to keep in my memory bank. I have reached 23 and expect to keep on. Others have been inspired and I have since purchased 20 more copies with only 4 remaining. God's Promises are indeed true and comforting.

This is a great little book to keep handy for those days when you feel a little down and need some inspiration from God's word. I read through about 4-5 of the verses and am reminded of the unconditional love only a father above could provide. However, the verses are in King James Version which I don't particularly care for since I use the New KJV and Message translations for my own personal bible studies because they are easier to read. I wish this book came in NIV or

something similiar, but still a great book!

I'm in the middle of Bible study as well as trying to memorize specific Scripture verses for my own personal benefit. I was writing down certain verses from the Bible as I came across ones that captured my attention, but I kept thinking that surely there was a little book I could purchase that would cover the verses that I might not be seeing. When I came across this on .com I knew I had to have it. I've been very pleased with it; as in the Bible, there is an answer (Scripture verse) for everything that happens in our lives. This is a great way to discover those answers.

Love the spiritual references, that should and do let EVERYONE know to depend on the Message of the Cross, which is CHRIST AND CHRIST CRUCIFIED. We were CREATED TO GLORIFY JESUS CHRIST, not ourselves. IT'S HIS WORLD, WE'RE JUST LIVING IN IT. So many people are LIVING ON THE PLANET, PAYING NO ATTENTION TO THE CREATOR.

This is a great book if you teach bible study or you go to a church based in discussion. It is also great for studying scripture and doing your devotions and it is such a good deal that really anyone wanting to learn more about all God has promised to us should pick up this book. It is small enough to carry around anywhere so great for telling your friends about what God has promised as well!

I am a busy gal. I attend a School of Kingdom Ministry class. I belong to a women's leadership group and I attend a house group. All require reading. I love reading my bible but sometimes I just want to open something small and see what God has for me and that is when I turn to the 199 Promises of God. There are so many ways to use this little book. You can just have it in your purse or on your desk at work and turn to it when you need scripture to get thru a difficult moment. I like to look for a scripture reading in the book and then go to my bible and read more or if I am near a computer scan biblegateway and see what else I can find in conjunction with the simple sweet scripture I just found in my little book. IT is a small but powerful book that I highly recommend. It's simplicity will not only be instrumental in your relationship with God, but whether you are just begininng your walk with him or even if you are deep within the layers of a full-blown relationship with our Maker, this book fits. Enjoy!

The promises of God are so important to know so everyday I read one for that day. With 4 beautiful kids and a husband and going to school its hard to find the promises on my own. This books helps

me to quickly find the next one for that day.

I have many stressors in my life and it's a comfort to me to be able to duck into the bathroom a few times a day and be lifted up with the affirmations.
