Customer Reviews

A wonderful book indeed. Gave me some information that even I didn't know about and I have been an Squash enthusiast for the last 20 years. Gave me an insight into the lives of these super stars.

I have been a squash player/enthusiast for the past 10 years, but did not know some of the details about the Khan family and their domination in this game. If you are a squash fanatic, then you must read this to get to know the history of the game.
