Customer Reviews

This book makes it easy for me to keep up with the bible on daily basis. The devotions are short, but the best parts are the daily lesson and prayer sections. The author's teaching is very sound. I can imagine there are still some Bible teachers out there who are not carried away with money and other cares of the world. This is a good example for me as a Christian to keep serving God on daily basis with my mind centralized on God. Yeah I need to mention that the Bible passages intro provided on daily basis motivate me to grab my bible to search out more I am very fortunate that I come across this very good book.

I have always love to put my hands on a good bible study material like this. I try to start my every day journey from the bible. I found this book to be very helpful for me to achieve that because it alternate bible reading from Old Testament and New Testament every other day. Therefore, I am able to have better understanding on how the two testaments relate to each other. Good job to this author! I can recommend this book because it is loaded with a lot of information that is necessary for spiritual growth.

This book is truly a gift from God through the hands and mind of the James Taiwo. It has inspired me and I am thankful for the help in my morning routine of praising and serving the Lord.
