Customer Reviews

This book is full of good information..unfortunately it suffers mightily from not having been proofread. There are missing words, missing letters, horrible punctuation, confused sentences, misspellings, etc. These errors make it almost impossible to read. So far, every page has at least two mistakes ...sometimes many more. Due to these errors, you can't be certain that what you read is what the author intended.

Nice Read! Got this book as gift from my girl. So far i am reading it and enjoyed. Thanks.
