Book 1: Diary of a Minecraft Creeper: Looking For My Family Rob, the Creeper, one day finds himself separated from his group of friends and is forced to wander all alone in Minecraft. Because he is a Creeper, Rob has no idea how to make friends and spends his days and nights, looking at what other Minecraft creatures do. Through his eyes, we will see how a Player builds his first house and how the Zombies manage to burn it to the ground (they attack the house, and one of the Zombies catches fire and then stumbles into the house). Then he will wander into a desert castle, where three Witches are doing some weird kind of spell, which is capable of changing one's appearance. Rob likes the idea of becoming someone else and steals some of the potions...

Book 2: Diary of a Minecraft Steve: Steve King's Adventures In the Minecraft World Steve wakes up in a strange world about which he knows a lot without knowing how. Slowly, he learns about the world around him and gets used to it. Soon, he becomes friend with a Villager, who tells him everything about the Minecraft world. During one of his walks, Steve meets with a tall and dark creature that soon becomes his friend too. The Enderman is mostly silent and looming over him, but he is also protecting him from other dangerous animals and looking after him when Steve hurts himself. Steve starts building his life – building a house, capturing animals, planting a farm, going up the mountain to collect ores....

Book 3: The Amazing Adventures of a Minecraft Zombie Sammy is your regular Zombie that lives with a group of other Zombies in a large web of caves in one of the Minecraft Mountains. Their life is rather uneventful, with only a few Players to scare from time to time.....

Book 4: Diary of A Minecraft Enderman's Four Brothers Wandering In The Overworld It is night and there are multiple Minecraft creatures wandering in the Overworld. Suddenly, a portal opens and four Endermen pass through it, entering the Overworld. It is dark, it is scary, but the four brothers or friends don't mind the darkness. They walk among the other creatures as if they are the rulers of the world.....

This book was wrote very nicely and was a very good book! This was quite a creative plot I felt, because when you're playing games you're just playing and not thinking much. But this author has put in some amount of imagination into it. If you have played minecraft, then you will like this series. I'd recommend this to anyone!
